SURRENDER TO GOD AND BE RENEWED

IN YOUR MIND

Romans 8

You cannot be a Christian that desires to live on your own terms and conditions.

The word “Christian” means “like Christ” or “Christlike”.

The one thing that impresses God is your ability of portraying Him in a human form just like Jesus did.

God wants your body in order to fulfill His purpose on earth, and a body that is devoted to God is fully catered for.

___“...Those who walk along his paths with integrity will never lack one thing they need, for he provides it all!”

Psalms 84:11b TPT___

God's resources will always be available to those who surrender to Him.

However, a mind that is not renewed will always struggle to surrender its body. It will inevitably lead the body to the things that the world fights for.

This non renewed mind pursues the things of this world (position, influence, power, names...), searching them through Christianity.

This results in many using “Jesus” as a force to obtain those things and it shifts from being about Him but all about us and our desires.

So it becomes harder to express the renewed life which subdues the body to God when the mind is not renewed. You can succeed in pretending but you will never enjoy the true and genuine benefits of fully belonging to God... Therefore surrender to God and let your mind be renewed as you are alone with His word during this time.
