## IT IS THE TIME TO CHECK YOUR TESTIMONY

Are you born again? Who were you yesterday before Jesus came into your life? Can you tell the difference today? Can others tell the difference?

"It's true that some of you once lived in those lifestyles, but now you have been purified from sin, made holy and given a perfect standing before God— all because of the power of the name of the Lord Jesus, the Messiah and through our union with the Spirit of our God. It's true that our freedom allows us to do anything but that doesn't mean that everything we do is good for us. I'm free to do as I choose but I choose to never be enslaved to anything." 1 Corinthians 6:11-12 TPT

Do you remember the things you were devoted to before which were going against God? Did they remain in the past? Is your zeal or love for the world decreasing as you're growing in faith with God?

"...Don't you realize that friendship with the world makes you an enemy of God? I say it again: If you want to be

a friend of the world, you make yourself an enemy of God." James 4:4 NLT

Do you see a decreasing pattern of sin in your life? The Bible says in 1 John 3:6 that, "people who stay one in their hearts with him won't keep on sinning. If they do keep on sinning, they don't know Christ, and they have never seen him."

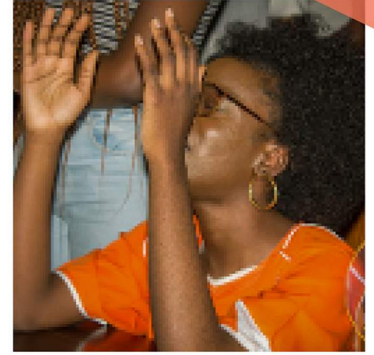

Every time God unveils the Son to you it's to change you and entrust you with a mission. What burden did you get from Him since you've been transformed? Whenever reality goes against the truth you know, it can make you blind to the truth.

However, keep the same energy you had in the world to serve the kingdom and remember that the resistance that comes from within is stronger than the one that comes from outside. Your ability to face whatever is on the outside comes from

your ability to see the forgiveness of God from within. Being a Christian is not a private life but a public one.

“Never let evil defeat you, but defeat evil with good.” Romans 12:21 TPT

# PRAYER

Father I know you have given me the ability to change. My habits, my emotions and my life will change with my way of thinking. I submit to the intelligence renewal process and expect the progress initiated by the Holy Spirit. I refuse to accept the descriptions and limits that

defined me in the past. While I grasp the vision that You have of me, described in your Word, I am transformed in your image, in the name of Jesus! Amen.
