

ONE ENCOUNTER; FOREVER CHANGED

BRAAM FAMILY - 4/20/2020

BRAAM FAMILY

In Luke 8:26-39, the bible starts off by describing the man before his encounter with Jesus but it doesn't only stop there. The Bible also goes on to describe the man after his encounter with Jesus, which simply goes on to show that no man can encounter God and remain the same.

A lot of things will try to claim your life after you have met Jesus, but He gives you gives victory. The light in you which you receive after encountering Christ, is meant to attract people. However, one needs to remember that your testimony is more powerful in your place of shame. The place of your change has an efficient testimony linked to it.

Christianity is not a life lived in secret but a public one, because the place of your humiliation can also become the place of your elevation.

One needs to remember that you are not the one who claims the calling of Jesus, it claims you and brings you to a place of encounter with Him. Nobody comes to God unless God attracts them to Him.

Believe in the love of God for your life so much; to a point where you're convinced that if you were the only human being on earth, Jesus would have still come and died for you.

Learn to personalize your encounter with God, as He is one to deal with the individual and not the crowd.

We need to move away from thinking that being a Christian means being perfect but instead a walk towards perfection. We get so used to the ordinary that when God operates, it sometimes scares us. The truth is that lives are transformed through what God has done in our lives.

An encounter with Jesus is characterised by a change of lifestyle and so ask yourself what change do people see in you after you've encountered Jesus?

PRAAYER

I have **POWER** in my life right now. Through the Holy Spirit who dwells in me, I have the power to overcome temptation, to change for a better life, to be healed, to forgive, to speak the Word of God and to see his promises fulfilled in my life.

I'm no longer what I used to be before encountering Jesus Christ.

Today I'm a new creature and all things have become **NEW** in Jesus name Amen
