

# WHO IS YOUR PROVIDER?

Matthew 6:25-34

As human beings we tend to categorize our needs in terms of the most important one to the least important ones but those aren't the things God wants us to worry about. We often feel that WE KNOW the things that we need better than God knows them and so we usually have a hard time fully trusting Him to supply to them the way we think it should be done.

However when we go back to the disciples asking Jesus to teach them how to pray (see Luke 11) –Jesus mentioned in the prayer “give us today our DAILY BREAD” which focuses on the fact that Jesus knows that we have needs for EACH day.

Even when we look at the Israelites (see Exodus 16: 4), when the manna was falling from heaven, God told them that they didn't have to store it because He had made provision for EACH day.

God knows the things that we need, but He asks us to first seek His kingdom; for out of it will flow the supply of our needs, so we should ask ourselves if really we're truly seeking the SOURCE or are we just seeking the resource?

One has to realize that when it comes to our needs, God doesn't assume or wonder. He knows EXACTLY what we need and just as a good father will provide for the needs of his children, so will He provide for us with PRECISION.

So every time we worry or doubt God, we show a lack of knowledge in the nature of the Provider we have; and the nature of the Provider is one that is attached to the reputation of His name (see 1 Samuel 12: 22).

The Bible goes on to say in Lamentation 3: 23 "The Lord renews His goodness EVERY MORNING".

What a joy to know that your heavenly Provider takes care of you on a DAILY BASIS, so learn to not focus on the situation nor to worry about tomorrow but to focus on the fact that there is a fresh supply for EVERY SINGLE DAY. 😊😊

#### PRAYER

Father, I know that you will show yourself to me as I'm willing to know you more;  
 Forgive me for all the times I doubted in your ability to take care of me;  
 Now that I know that you look after me on a daily basis, let me trust you on a daily basis too because YOU are a RESPONSIBLE FATHER

In Jesus name, AMEN
